Eliminate Costly Damage!

doorjammerPRO™ protection on your hoists will eliminate door dings, dents, and scratches because it protects the entire area where doors meet the hoists!

Reduce the Stress!

With less damage, you and your technicians can breathe easier!

Reduce the Loss of Dollars!

Less body damage can save you thousands of dollars over the life of doorjammerPRO's™ use.

Efficiency

Technicians find it much easier to enter and exit vehicles on hoists protected with the doorjammerPRO™, resulting in a shop that runs much more efficiently!

Customer Satisfaction

Show your customers how much you care about their vehicle. Many top Mercedes, BMW and Porsche dealers use doorjammerPROs™ to protect customer vehicles, why shouldn't you?

Increase Bottom Line Profits

Less damage and technician peace of mind add dollars where they belong.
